Useful Information:

November is the beginning of summer in Cape Town. The days are warm and can be windy. The sunrise time is around 0530 and sunset 1930 and there is a long twilight.

- Average daily maximum temperature: 24 degrees C (75 degrees F)
- Average daily minimum temperature: 13 degrees C (55 degrees F)
- Average monthly rainfall 14 m (0.5 inches)
- Days with > 1 mm rain: 5

Electricity is 220/230 volts AC at 50 cycles per second. Three pronged plugs are universal and unique to South Africa, so bring an adapter.

We encourage everyone to take the usual travel precautions when traveling with valuables. All valuables, passports, cameras, should be carried with you to the conference venue. Valuables should be carried discreetly when walking in cities and caution should be excercised at all times.

South African standard Time is two hours in advance of Greenwich Mean Time (GMT +2), one hour in advance of central European winter time and seven hours in advance of United States eastern standard time throughout the year.

There are 11 official languages including English, Afrikaans, Xhosa, Ndebele, Northern Sotho, Southern Sotho, Swati, Tsonga, Tswana, Venda and Zulu. However English is spoken everywhere you go. English is the language of the cities, of commerce and banking, of government and official documents. All road signs and official forms are in English and most service staff will speak to you in English.
